	<p>Current using cart is American standard one. (現行：アメリカ仕様) We expect same specification.</p> <ul style="list-style-type: none"> • The upper handle part should be covered with Robber material to prevent from scratching.
	<p>Its "Hight" should be less than 680mm, because it is designed to be stored under the standard table.</p>
	<p>Example : We need Right model</p>

		<ul style="list-style-type: none"> ● Body surface should be treated with Shiny(High-grade) Chrome plating. <p>Following BAD example : No Shiny plating</p> 
<p>Drawing</p> 		<ul style="list-style-type: none"> ● Basically, we expect to buy supplier's standard model to save new design & new manufacturing cost. ● But we can accept your quotation based on our designed drawing, but it would become high cost.
